Sorry, I started rejecting them and got pulled away right in the middle of it. Thanks for reminding me to finish the other two.

Subject: Cert Requests Rejected

Hello Jim,

We received the rejected cert requests for testgroup FVG AJ03.0AUD, but the three e-mails we received were all for Evap Family: FVGAR0140AAD. There should have been three conditional requests uploaded for the EVAP families below that need to be rejected so we can make the revisions and re-submit.

Testgroup: FVG AJ03.0AUD

Evap Families: FVGAR0140AAD

FVGAR0140AAC

FVGAR0140NAF

They came through on the verify reports with the correct Evap families, so I'm not sure why these e-mails are all duplicated.

Feel free to give me a call to discuss if you have any questions.

Thanks Jim.

Regards,

Greg Allen
